

## **LOXFORD IN THE MONTH OF MARCH**

Within the month of March our students took part in the following activities:-

- Our Year 12 Computer Science students attended a Workshop in-house run by the City University
- City University presented a Workshop for students interested in Mechanical & Aeronautical Engineering
- Some Year 9 & 10 Maths students entered the UKMT Intermediate Competition 2020 and we achieved 30 bronze certificates, 9 silver certificates, Haruun Muniya received best in year group and best in school certificate, Piravin Santhiralingam received best in year and qualified for the next Grey Kangaroo round and Faraz Khan received a silver certificate and qualified for next Grey Kangaroo round
- We held various activities for National Careers Week
- The English Department dressed up in their finest for World Book Day
- During British Science Week KS3 students discussed “Our Diverse Planet” during am and pm registration
- Year 7 were fund raising for Sports Relief UK

We visited the following places:-

- Year 10 GCSE music students listened to The London Symphony Orchestra at the Barbican. The program featured classical pieces that the students have been studying in lessons and will encourage them to continue to develop their overall appraising skills that will be used in their written exam.
- Our Anti-bullying Ambassadors visited Fortismere School in north London and received upskills training and now they now wear their red tie with pride
- 200 Year 11 English students visited the Globe to see a live performance of “Macbeth”

Loxford took part in many sporting fixtures:-

- Year 7 boys football defeated Oaks Park 7-3
- Year 7 girls netball lost to Seven Kings 5-8
