

## Headteacher's Address

Hello,

Welcome to Loxford School, I apologise that I am not able to meet with you face to face as I normally would do but I am sure that you understand that due to these exceptional circumstances that we are not able to do so.

Our open evenings are busy days and we are now the most oversubscribed school in Redbridge.

We are oversubscribed due to our outstanding education and care that we provide for the children.

The results at GCSE and A Level puts us in the top ten percent in the country and that is why so many parents want to send their children here.

So how would I describe Loxford School to you...

1. We are a school that is based on strong, traditional family values.
2. We expect the children to be engaged in their education and to want to do well.
3. We know that our community that we serve expects their children to enter university.
4. 96% of our Year 13 cohort go on to university with many of our children studying medicine, dentistry and finance.

5. The majority of our children go to Russell Group universities, of which we are rightly proud.

We have one simple rule at Loxford, be in the right place at the right time doing the right thing.

We expect parents to uphold our values and want you to be supportive of our behaviour systems.

Our environment is calm, friendly and purposeful. We have an ethos of a high level of self-discipline.

All children must be in full uniform and all times and yes, we do like the small things, top button done up, shirts tucked in and blazers worn at all times.

Children must be proud of the Loxford uniform and of attending our school.

Loxford has commitment, pride and dedication from all the members of staff that value working in such an outstanding school.

The School offers a wide range of very high quality academic and vocational courses and all students have the opportunity to undertake realistic scientific and business related projects. Full use is made of the very latest technology and state-of-the-art computing facilities are a feature of teaching in all subjects and are a major feature in the School.

We have a wide range of MAC computers and ordinary PCs and a number of Chrome-books which our children are able to use.

We are proud to say that during the lockdown period all children continued their education on a daily basis following their normal school timetable with teachers being able to answer questions through Google Classrooms. Of this, I am immensely proud of my staff and students.

If your child needs our support and guidance, we will ensure that this is provided. We wish to make sure that these young people continue to be motivated and inspired in their education and at every stage, we want to ensure that their parents are fully involved.

You have high expectations and aspirations for your child; you want them to have a future, and to help them prepare for the future we will be part of that process.

Life is changing for all of us. The current economic market places even further value on education.

If you are lucky enough to get a place here, we promise you that under our best endeavours we will make sure that your child thrives in our environment and the doors to opportunity will be open to them.

We do not allow mobile phones to be used in school and parents will have to support us in this measure.

There is plenty of time to use all the apps that the children have, but not in school time.

Ultimately, Loxford School values your child's education and this is the school to choose if you value your child's education.
