**Update on scheduled Relationships, Sex and Health Education Consultation**

Dear families,

I hope this letter finds you well. Our last letter confirmed the rescheduling of the public consultation for Relationships, Sex and Health Education (RSHE) and our commitment to consider the feedback from stakeholders.

We will be able to share the 3<sup>rd</sup> Draft of the syllabus soon which will be available via the FiND website. The 3<sup>rd</sup> draft will reflect the feedback received and actioned thus far.

**Wave 1 – LA led**

We continue to plan for Redbridge RSHE Wave 1 consultation period to end by **30<sup>th</sup> June 2021**. These public consultation meeting(s) will be undertaken face to face, therefore are reliant on the Government Roadmap out of lockdown proceeding as planned.

When we can share exact dates for the planned face to face public consultation we will. In the meantime, we will continue to share updates via schools to you.

**Wave 2 – School led**

Wave 2 meetings will be organised by your school following Wave 1. Your school will:

- Share some planned resources/materials
- Share amended policy
- Discuss withdrawal process for Sex Education (where applicable)

*"Consultation is a process by which an organisation, over a specific period of time, seeks the opinions of relevant people about particular activities or proposals, to better understand their views and take them into account when making final decisions. For schools, consultation is about them providing formal channels through which parents can express their views about certain aspects of the school's work"*
